

Review Panel Meetings with Lead Entities

September 21- October 7, 2004

Desired Outcomes: The Review Panel and Technical Advisors will obtain answers to questions they may have regarding strategy and project application materials submitted by lead entities. Lead entities are provided the opportunity to share their work with the Review Panel and to become more informed about the Panel's role, approach and timelines.

Welcome

Steve Leider

- Introductions of Panel/Advisors and LE participants
- Purpose of meeting
- Process and timeline

Topics to Emphasize

Lead Entity
Coordinator

- Brief overview of strategy summary and responses to SRFB questions
- Briefly identify new or substantially revised elements of strategy
- Emphasize rationale for how the project list fits the strategy
- Projects of concern - issues or clarifications (as needed)

Questions from Panel/Advisors

All

Wrap-up and Adjourn
